PRINTER TEAM IS IN FIFTH PLACE

Defeated Owens Team Last Night By Seven to Five Score.

By handing Owens a 7-5 defeat last evening the West Virginia printer team took one big leap out of the cellar position and landed away up in fifth place in the City League standing. The Mid-West, B. & O. and Owens teams were each left along the road behind.

Erwin Boice, the clever Owens pitcher who has been doing such fine work in the City League and who pitched a no hit no run game against the West Virginians two weeks ago, was not pitching up to standard and was hit freely in the game last night. The game would have been a poor one had not the West Virginians been making errors. The printers made many errors, but redeemed themselves at bat. The score:

Sport Chatter

By The Onlooker.

This man Love who umpired last night at South Side park was well named—he is a darling when it comes to calling balls and strikes.

Almost as good as the man from Pittsburgh called Simon (no brother to "Pat") who did such remarkable officiating at the Monongah Glass-Watson Building game. Impossible.

Can't give the West Virginian team much credit for winning the kind of a game they played last evening—too many errors.

City league players have one more week to strengthen up their batting averages. The next list of official individual batting averages will be published in The West Virginian Tuesday, August 6.

Wagner did not play with the Owens nine last night—that's what was wrong. The old man can play better than some of those young chaps at that.

Watson Building nine has new uniforms. They may make their debut in the game this afternoon.

The late dope is that Gregg, star 1918 catcher for the University team, is going to catch for the Watson Building.

Monday's Game.

Idamay vs. Pittsburgh Collegians at South Side park 6:30 p. m.

Monongah Glass to Play at Idamay

At Idamay tomorrow the team from that town will take on the Monongah Glass team of the City league. The Idamay team is depending upon a victory but the Monongah Glass boys are going to play better ball than they did against Monongah last Sunday and it would not be at all surprising to hear of an exceptionally hard fought game tomorrow.

The Idamay game is scheduled to start at 2:30 p. m. It is very probable that Dawson will do the pitching for Idamay tomorrow against the Monongah Glass and that June will be saved for the Pittsburgh Collegian game at South Side Park Monday.

Carolina Traction Park Attraction

The game at Traction park tomorrow afternoon between the Carolina and Monongah teams is sure to be a good one if the two teams play the kind of baseball they have displayed in recent games.

Manager Davis, of Monongah, is working out a strengthened line-up. Manager Hite of the Carolina nine, will have practically the same team in the game which defeated Idamay last Sunday. Two Fairmont boys, including James Knight and Robin Hood, are playing with the Carolina team this season.

The game will start promptly at 2:30 p. m. and a large crowd is expected to turn out.

Change of Time for Today's Ball Games

Instead of playing at 4 p. m. the Wholesaler-Mining Machinery game will be played at South Side park this afternoon at 3 o'clock. This will be the first game of the afternoon. The second game will begin at 4:30 between the Watson Building and Mid-West teams. Both games will be but seven innings. The change was made because the Mid-West players had some extra work to get out this afternoon which made it impossible for them to be on the baseball grounds at 2 o'clock.

Lumberport Will Play Kingmont

Tomorrow afternoon at 2 o'clock the Kingmont and Lumberport baseball teams will take the field at Kingmont for a baseball game. Kingmont has not lost a game this season.

The visiting team is one of the strongest in Harrison county and will make the Valley river boys play a real game to get away with a victory.

COLLEGIANS COME FOR TWO CONTESTS

First at Blackshere Park Tomorrow; Second at South Side Monday.

Dick Guy's Pittsburgh Collegians will show up at Blackshere park tomorrow for a game with the Consumer Fuel company team and it is a good bet that a real battle will follow.

Mr. Guy always has a good team, made up of some of the best independent baseball players in the country. The Collegians is an old organization and their trip to West Virginia is always looked forward to with much interest, due to their clean and clever manner of play. Several major league players have got their start with the Collegians—Shaw, the star Washington twirler, played his first baseball with the Collegians.

Ray will be seen at short stop tomorrow and that will mean that the Consumer team will have to keep them away from the short stop position. Black, the clever little 18 year old second baseman, is considered one of the best infielders the Collegians ever had on their team. Black is now under contract with the New York Americans and will report for duty after a short schedule with the Collegians.

Manager Rothlisberger will have his best collection of players in the game and this means that the visitors will have no easy sailing.

Monday evening of next week beginning at 6:30 o'clock at South Side park the Idamay team will play a game with the Pittsburgh Collegians.
